ACHIEVEMENTS

- Secured 3rd place at the Ad2 National Public Service Competition 2017-2018 as part of Ad2 Orlando.
- President's Honor List for all semesters.

Hello,

I'm a User Interface designer who is thorough, persistent and enjoys creative freedom. I have strong skills in transforming client briefs to designs. I back my design ability with adequate development skills.

EXPERIENCE

Ad2 Orlando Public Service Event

Oct 2017 – Apr 2018
(7 months)

www.newimageyouth.org

Worked with a team of six on the marketing campaign for a local non-profit organization, New Image Youth Center. Redesigned and developed their website to provide insight into their work and increase donations.

Photoshop, HTML5, CSS3, Wordpress, Bootstrap

AIGA Orlando Mentorship

Dec 2016 – Apr 2017
(5 months)

orlando.meenakunduru.com

Designed and developed a fun interactive website called Experience Orlando. It has three components - my journey of becoming a designer, animated illustrations of Orlando landmarks and three mini games.

Illustrator, Balsamiq, HTML5, CSS3, jQuery

Envy Labs Design Mentorship

Aug 2016 – Nov 2016
(4 months)

mkunduru.github.io/cricket-deliveries

Designed and developed a "Cricket delivery guide" website. It demonstrates ten different deliveries using CSS animations.

Illustrator, HTML5, CSS3, Git

EDUCATION

A.S. Degree in Interactive Design

Aug 2015 - May 2019

Valencia College, Orlando.

- Technical certificate in Interactive Design Production
- Technical certificate in Interactive Design Support

B.Tech. in Electrical Engineering

Sep 2007 – May 2011

Kakatiya University, India.
